

"I became a parent governor in 1993, and have held a number of posts on both the Infant and Junior governing bodies, including chair of governors. I am currently vice chairman and chair of the curriculum committee.

I live in Sheridan Crescent and all 3 of my children have enjoyed their time as pupils at the school. My wife Debra is a Learning Support Assistant at the school.

I was born and went to school in Tadley. I have a degree in Mathematics from Oxford University , and work for IBM as Software Technical Architect and Project Manager, responsible for worldwide demonstration strategy and delivery.

I'm also actively involved in Scouting locally, both as the District Explorer Scout Commissioner responsible for the provision of Scouting to the older 14-18 age range, and as a member of the county camp team that organises and runs a range of camps for Hampshire scouts."
