

## Jason Miles

I was appointed as a Parent Governor towards the end of 2007 and I Chair the Buildings Committee.

My wife and I have lived in the area all of our lives and we have two children. Our son attended Burnham Copse and is now at the Hurst Community College. Our daughter is currently in Year 3 at Burnham Copse.

My wife was a pupil at Burnham Copse, and she now works at the school as a Learning Support Assistant.

I am a Director of a UK Insurance Loss Adjusting Company and I am also the Health & Safety Officer for a Basingstoke Church.

As a Parent Governor I want to ensure that our children are provided with the best possible educational experience and one that they can enjoy in a safe environment.

In my spare time I enjoy my sport, with a particular interest in cricket, football and anything related to cars and motor sport.
