

My son started in Robin Class in September 2009 and I became a Parent Governor in March 2010. I am also a member of the PTA and help at school events as often as possible.

I also have a 1 year old daughter and am fortunate enough to be a full time mum which gives me the opportunity to spend a lot of time with my children.

I am a very active person, and although my family keep me very fit I also cycle and run as often as I can. I take part in adventure racing and am training for my first triathlon. I also take every opportunity to improve and learn new skills, while I am taking a career break, and have taken courses in Neuro-Linguistic Programming, HTML, Silver Jewellery and undertaken an Open University Course in Understanding Management.

I am also on the Interim Partnership Board for the Children's Centre which is planned to open in Tadley Community Centre.
