

My daughter started reception in September and this will be my first term as a Parent Governor.

In my spare time I help out at the school on alternative Friday mornings and spend as much time as I can with my daughter, while she still wants to be with her Mum. As a family we spend a lot of time visiting relations in Newcastle, Torquay and Newport.

I have worked for Thames Water for 21 years and currently work part time as a Project Controller.

I am looking forward to getting involved with the school as a Parent Governor and a Parent.
